HANDS ON ART

Teacher: Jennifer Lang / Kelly Smith

These classes are designed specifically for our youngest students with the aim of developing their natural creativity and curiosity in a nurturing environment. We take a sensory, process based approach and teach through different textures, art mediums, and inquiry based learning. Be prepared, they will get messy as they discover and develop their creative side!

ELEMENTAL ART

Teachers: Kelly Smith / Nicole Robinson / Jennifer Lang / Shanna Hollis

Our inventive teachers show students new ways to appreciate the basic elements of art. They will be shown the importance of colour, line, shape and form through art projects in two and three dimensions. The work of various artists will be used to demonstrate how individual style and techniques produce different effects.

HOW ARTIST SEE

Teachers: Corrina Rego / Nicole Robinson / Alyson Thompson

Working with the "How Artists See" series we will work through art concepts and techniques, while fostering an appreciation of artistic styles. Students will learn about different cultures through art history based on well known great artists and lesser known artists both local and international. Students will work with various mediums such as printing, painting and drawing as well as sculpture, textiles, clay and mosaics. Students will be encouraged to form their own opinions and ask their own questions. They will create their own works of art while still following the KAF process based learning that is essential for children to thrive in the world.

FROM THE GROUND UP

Teacher: Alyson Thompson

KAF's signature sensory art and play approach meets our lush backyard garden and kitchen classroom with this outdoor eco exploration class. This hands-on class will captivate your child's natural curiosity and instill a love of nature whilst building motor skills and vocabulary. Your sprouts will learn how to recognise and interact with the textures, sounds, smells and tastes of Bermuda. Expect to get messy and have fun along with your little ones as we discover the island around us.

CAN YOU DIG IT?

Teacher: Alyson Thompson

From planting to harvest, then kitchen to plate, children learn where their food comes from. Learning to identify plants by smell, look, feel and taste empowers children to create and maintain a fruitful garden whilst learning applied math and science. Throw in some wacky science experiments and lots of organic art projects, and this class promises to be a creative learning adventure.

Planning Events...

PARTIES AT KAF

Treat your child to a Kaleidoscope Birthday Party! These parties are great value and hassle free. We offer 2 hour parties for ages 18 months - 10yrs for up to 14 children. Multiple art project themes are available. Everyone takes home his or her completed art piece. Price includes all art materials, use of large room to serve food and drink, as well as back garden for play before parent pick up.

Available party times:

Saturdays: 10:30am - 12:30pm, 1:30pm - 3:30pm

Please contact the office for price information.

PLANNING A CORPORATE EVENT?

KAF can provide activities appropriate for all ages and we love themes!

CREATE A CLASS

Don't see a class that fits your schedule? An idea to keep in mind is our Create A Class option. If you have another time in mind or if you are looking for a different medium and know of other children who would be interested in participating as well, let us know and we can try and set up a class for you.

FIELD TRIP TO KAF

Are you a nursery school, preschool, primary school, homeschool group or day care facility looking for a creative and inspiring activity? Consider a field trip to KAF where we can provide engaging art and/or garden learning. We can create a class to fit all of your curriculum needs, using art and garden teaching to reinforce literacy, math, science or history lessons. The possibilities are endless! Email the office at info@kaf.bm for more information.

HOMESCHOOL ART & GARDEN

Teachers:

Jennifer Lang/Corrina Rego / Alyson Thompson/Omari Dill

Our popular Home School classes are offered again this year, this time with two age groups – 4–6year and 7–10 years. We provide well-rounded art and garden lessons in a nurturing environment for children who are taught at home. Art projects will give students exposure to painting, drawing and sculpture, whilst teaching math and literacy. Seed-to-table garden lessons will build natural curiosity and teach about the Bermuda environment, incorporating an engaging approach to science.

DROP-OFF MORNING CLASSES AT KAF

For children aged 3 to 5 years, KAF is introducing new drop-off morning classes – sign up for single days or the whole week. Based on holistic theories of learning (such as Montessori, Waldorf and Reggio Emilio) and an inquiry-based approach, classes will follow KAF's philosophy that children should learn through art and play. Each day will have a learning theme and will incorporate loose parts, messy play, outdoor activity and a lot of child-focused learning. Classes will be led by teacher Kelly Smith who has over a decade of experience in early childhood education and is passionate about nurturing each child's unique potential.

Sign up is by term but days can be selected as follows;

Messy Mondays – Art + Outdoor/Garden/Science

Techie Tuesdays – Art + Math

Whimsical Wednesdays – Art + Music

Thoughtful Thursdays – Art + Literacy

Footloose Fridays – Art + more Art!

Details:

The program will run from 8:30am to 12:30pm each day. Sign up for as many days per week as you like, but sign up is by term. Children must be toilet independent.

Term 1: (13 wks) Sept 10th – Dec 14th

Term 2: (11 wks) Jan 7th – March 29th

Term 3: (9 wks) April 22nd – June 21st

* No classes during half term break or public holidays.

Term Fees based on:

\$75/day members and \$80/day non-members.

Must sign up for full term.

Email the office for complete fee schedule.
